First announcement

Coma-ruga-2010 (June 30 - July 4, Wednesday to Sunday) will be the sixth Workshop of the series.

The official part of the Workshop will consist of about 30 invited talks. Topics include all sorts of nanomagnetic and superconducting research: molecular magnets, spintronics, spin- and SQUID-based quantum computing, novel magnetic and superconducting phases, low-dimensional systems, etc. Deadline for nominating invited speakers is 28 February 2010.

No registration fee is anticipated. All participants will be responsible for their travel and living expenses.

ORGANIZING COMMITTEE:

Eugene M. Chudnovsky (City University of New York - USA)
Antoni García-Santiago (University of Barcelona - Spain)
Joan Manel Hernandez (University of Barcelona - Spain)
Javier Tejada (University of Barcelona - Spain)
Valerii Vinokur (Argonne National Laboratory – USA)

PROGRAM COMMITTEE:

Juan Bartolomé (Spain)	Victor Moshchalkov (Belgium)
Tatyana Baturina (Russia)	Javier Tejada (Spain)
Eugene Chudnovsky (USA)	Raúl Villar (Spain)
Dmitry Garanin (USA)	Eric Vincent (France)
Lia Krusin-Elbaum (USA)	Valerii Vinokur (USA)

LOCATION:

The site of the Workshop, Hotel Marvel Coma-ruga, is located on one of Spain's most famous beaches of the Costa Daurada (Tarragona) region. The villages of Coma-ruga and Sant Salvador (town of El Vendrell), 70 km south of Barcelona, provide safe and enjoyable environment for the Workshop. Air and water temperature is expected to be within 23-28°C during the day, and 20-25°C at night.

Special rates for the Workshop have been negotiated with the hotel (prices per night and room):

	Half Board – Full Board	
Single Room	63€	72€
Double Room	90€	100€

Important: You should make the hotel reservation directly, at your earliest convenience, by e-mail, phone, or fax.
