

Curriculum Vitae

Name: Yoshihiro Kikkawa, Ph.D

Birthday: October 30, 1975 (39 years Old)

Contact Information:

Electronics & Photonics Research Institute, National Institute of
Advanced Industrial Science and Technology (AIST)

Tsukuba Central 4, 1-1-1 Higashi, Tsukuba, Ibaraki 305-8562, Japan

TEL: +81-29-861-2955, FAX: +81-29-861-3029, E-mail: y.kikkawa@aist.go.jp

Education:

April 1, 1997 – March 31, 1998

Bachelor degree/ Department of Industrial Science, Science University of Tokyo

April 1, 1998 – March 31, 2000

Master degree/ Department of Industrial Science, Science University of Tokyo

April 1, 2000 – September 30, 2002

Ph.D degree/ Department of Biomolecular Engineering, Tokyo Institute of
Technology (Supervisors: Prof. Yoshio Inoue & Prof. Yoshiharu Doi)

Work Experience:

October 1, 2002 – March 31, 2003

Postdoctoral Researcher/ Solution Oriented Research for Science and
Technology (SORST), Japan Science and Technology Agency

April 1, 2003 – December 31, 2004

Special Postdoctoral Researcher/ Polymer Chemistry Laboratory, RIKEN Institute

January 1, 2005 – March 31, 2008

Researcher/ National Institute of Advanced Industrial Science and Technology
(AIST)

April 1, 2011 – Present

Senior Researcher/ AIST

Academic Society:

The Chemical Society of Japan; The Society of Polymer Science, Japan

Current Research Interests:

Surface Chemistry; Biodegradable Polymer; Scanning Probe Microscopy

Awards: Award for Encouragement of Research in Polymer Science: The Society of
Polymer Science, Japan (2010)

Publications: 77 Papers/ 5 Reviews/ 2 Book Chapters
