

September 26th 2025

Dear Neutron sources,

I am writing to request the circulation of a postdoctoral position advertisement in field of neutron imaging on behalf of Dr. Marcella C. Berg. Please find the details of the advertisement below.

“Postdoctoral Position – University of Regina (Canada) & TU Delft (Netherlands)

A postdoctoral position is available at the **University of Regina, Canada**, in collaboration with **TU Delft, Netherlands**, to investigate crop and root water uptake dynamics using **x-ray and neutron imaging techniques**.

We are seeking a **highly motivated and independent postdoctoral fellow** to lead this project. The successful candidate will be responsible for all aspects of the study, including:

- Data collection, management, and analysis
- Preparation of manuscripts, reports, and presentations

Position details:

- **Duration:** 2 years, with the possibility of extension
- **Location:** Regina, Saskatchewan, Canada (80%) and Delft, Netherlands (20%)
- **Application deadline:** 15th October 2025
- **How to apply:** Please submit a CV and cover letter directly to Marcella.Berg@uregina.ca
- **Contact:** Marcella.Berg@uregina.ca, i.dhiman@tudelft.nl

“

Thank you very much in anticipation.

Best regards

Indu Dhiman
